In our Summer Session this year, we will be using our Bible curriculum for children, **to enlighten, to engage and to transform** each of our campers. The Summer Session is designed to be a fun and engaging for each participant, and has them learning through play along with other activities, which will allow them to understand and practice the Biblical lessons. Some of the activities we are planning include many fun field trips which are planned to keep your camper engaged and desiring to come back each day.

- For the older camper, our weekly field trips include parks, museums, going to the swimming pool bi-weekly, and more.
- The younger camper attends in-house field trips, a bounce house, and water fun.
- All of our campers experience the open gym, art, music and much more!
- We will use our multi-purpose building and gymnasium throughout the Summer Session and we are able to have fun even when the weather is not so nice outside.
  - In our “gymnasium “side campers will be able to enjoy the basketball courts and has enough space for indoor soccer, floor hockey, dodge ball, and more.
  - In our “multi-purpose room” campers will enjoy our two ten-foot movie screens for movie and popcorn days.

Come with us for a fun-filled and adventure-packed schedule of summer activities. We anticipate seeing your camper and for them to join us for a fun and exciting time during our Summer Session 2016.
